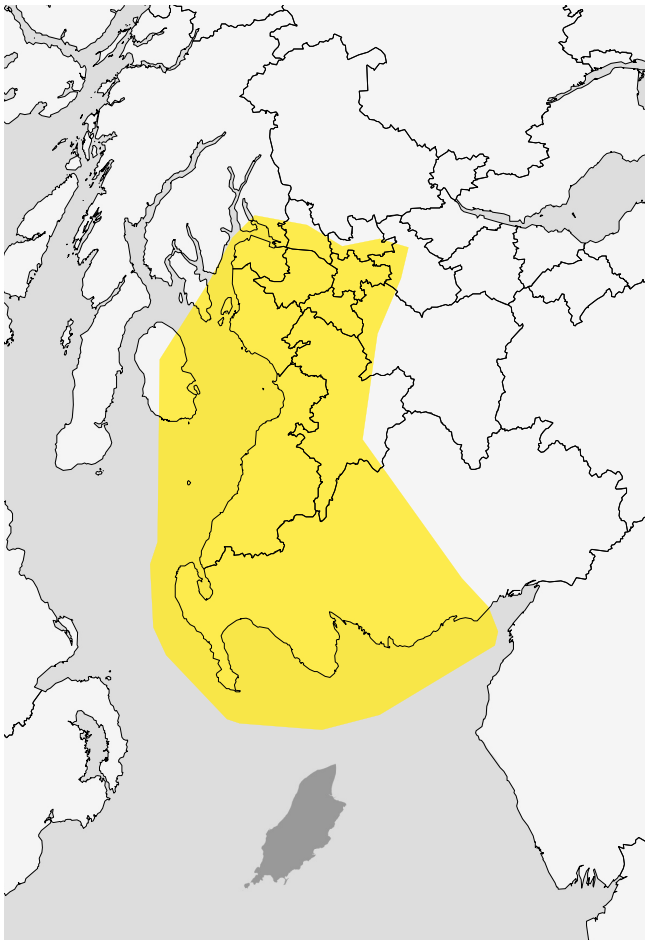
Yellow warning
Rain

Between
00:00 Tue 12 Dec 2023 and
10:00 Tue 12 Dec 2023



A period of heavy rain may bring disruption to transport and infrastructure

What to expect

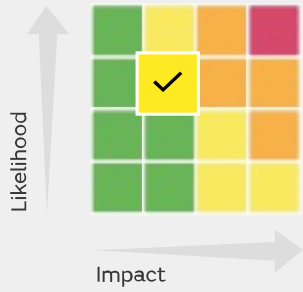
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer
- Flooding of a few homes and businesses is possible

Further details

A band of rain will arrive in the early hours of Tuesday morning. Rain will be persistent and heavy at times with 15-25mm falling quite widely, while the wettest spots could see 30-40 mm of rain. Given recent wet weather and saturated ground, some disruption from flooding is likely. Rain will clear to scattered showers by late morning.

What should I do?

Give yourself the best chance of avoiding delays by checking road conditions if driving, or bus and train timetables, amending your travel plans if necessary.



Medium likelihood of low impacts
